

RESIGNATION OF MY USA CITIZENSHIP

T6B

I Tibor Gyula Balogh, with deep sadness, hereby irrevocably resign my United States of America citizenship effective immediately, with this act I am relieving my self from my duty to serve and protect the Constitution of the United States of America in which the ideals of the American spirit of freedom is spelled out. It was my privilege and honor to participate in the American society from the moment I took my oath as a citizen on 17, September 1987 immediately after which I voluntarily gave four years of faithful and honorable service to the United States Air Force as a Law Enforcement Specialist. This Law Enforcement service in the Air Force uniquely qualified me to bring the Defendant to justice on the Fourth Amendment Search and Seizure Civil Rights violation that occurred on 04.MAR.2001 for the maintenance of these rights for all Americans and judgment against the Defendant with punitive damages for the violation of my rights under the Constitution on that day. I resign my United States of America citizenship because the injustice I believe occurred with the inability to bring the Defendant to justice in the United States Federal Court of law having jurisdiction over this matter. By relieving myself from the duty to serve and protect the Constitution I bring an imperfect closure to this matter.
